Charts by Tom Clark

THERE IS NEED for some plain speaking in Britain about Poland's Regained Territories—the area on the rivers Odra and Nysa and on the Baltic Sea, which were restored to Poland, by agreement of all the war-time allies.

These lands are now the subject of open threats by the former Nazi generals, politicians and industrialists, who are back in power in Western Germany. In the United States elections, in addition to open talks of attempts to restore the
